I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: These medications have made a ~~and~~
profound & positive impact on my
health. Synthetic "one fits all" hormones,
do not work for me. I strongly
advocate the FREEDOM to choose
specially compounded pharmaceuticals
Thank you. Patricia Prent
